## NB Lenovo ThinkBook 16 G8 U7-255H/32GB/M.2 1TB SSD/16"/Win11Pro/FP/BL/21SK007YYA

Dostupnost: NEMA NA STANJU

MP cena: 181.090,00 din

Šifra proizvoda: 46183

**158.890,00** din

Ušteda: 22.200,00 din

### Specifikacija

|               |                                                                                |
|---------------|--------------------------------------------------------------------------------|
| Procesor      | Intel Core Ultra 7 255H, 16C (6P + 8E + 2LPE) / 16T, Max Turbo do 5.1GHz, 24MB |
|               | AI PC                                                                          |
|               | Integrisan Intel AI Boost, do 13 TOPS                                          |
| Grafika       | Integrisan Intel Arc 140T GPU                                                  |
| Cipset        | Intel SoC Platforma                                                            |
| Memorija      | 2x 16GB SO-DIMM DDR5-5600                                                      |
|               | 2x DDR5 SO-DIMM slots, dual-channel                                            |
|               | Do 64GB DDR5-5600                                                              |
| SSD           | 1TB SSD M.2 2242 PCIe 4.0x4 NVMe                                               |
|               | 2x M.2 2280 PCIe 4.0 x4 slotova                                                |
|               | Do dva, 2x M.2 SSD<br>• M.2 2280 SSD do 2TB svaki                              |
| Čitač kartica | SD Card Reader                                                                 |
| Audio Cip     | HD Audio, Realtek ALC3287 kodek                                                |
| Zvucnici      | Stereo zvucnici, 2W x2, Dolby Audio                                            |

|                       |                                                                                                                                                                                                                                                                                                                                                                                  |
