## CPU Hladnjak Corsair iCUE LINK TITAN 360 RX LCD Liquid, CW-9061023-WW

Dostupnost: NA STANJU

MP cena: 29.790,00 din

Šifra proizvoda: 48976

**26.390,00** din

Ušteda: 3.400,00 din

### Specifikacija

|                              |                                                                                                                                                                                                                                                                                                                                                                                       |
